STATEMENT OF OBJECTIVE

Aspiring web developer with a passion for exploring the exciting sides of technology. Enthusiastic about connecting with like-minded professionals to expand my network and contribute to innovative projects.

I am a results-driven programmer with a comprehensive skill set focused on front-end technologies, mainly React JavaScript and good understanding of back-end technologies like node.js, seeking an opportunity to contribute technical expertise, creativity, and collaborative problem-solving skills to a dynamic development team.

EXPERIENCE

Junior Front-end developer | Koili Tech IT solution services
FEB 2024 TO PRESENT

Successfully met client requirements for website development with React Js, and collaborated with backend team to finalize projects on time.

Web Developer |Dented Code Academy, Australia
OCTOBER 2023 TO FEB 2024

Actively engaged in developing responsive websites using React.js, along with team collaboration.

Web Developer Intern | Brainstack Professional Hub, Sydney, Australia
DECEMBER 2021 TO APRIL 2022

Creating and debugging responsive websites for mobile devices while consistently meeting project deadlines.
